Mr. Robbie B. Davis, Chairman
Nash County Board of Commissioners
120 W. Washington Street
Nashville, NC 27856

Dear Honorable Chairman Davis and County Commissioners:

This FY2017-2018 budget is presented to you in accordance with the *North Carolina Local Government Budget and Fiscal Control Act*. The proposed budget is presented subject to a public hearing and the Nash County Board of Commissioners revisions and approval. This budget, as presented, is balanced. The total revenues and expenditures for the FY2017-2018 General Fund are \$90,307,834 compared to the original FY2016-2017 General Fund budget of \$91,158,969.

As a result of the January 1, 2017 revaluation, the revenue neutral tax rate is .6944 (including the adjustment for growth as required by General Statutes). However, the FY2017-2018 budget as recommended, is based on a \$0.67 tax rate, the same as FY2016-2017. This represents the eighth consecutive year that the tax rate has not increased. The tax rate as recommended is able to remain consistent with FY2016-2017, without reducing services to our citizens due to increased tax base and resulting revenue from new construction, personal property, and motor vehicle tax collections and higher sales tax revenue collections.

County Administration received budget requests, revenue estimates and other financial information from various officials, officers, department heads and agencies of Nash County. The proposed budget is based on staff information and information provided by and input from, the County Commissioners. Each department or agency presented an original budget request to the Finance Office. Upon receipt, the County Manager met one or more times with each department head to establish a budget to be submitted to the Nash County Board of Commissioners. Subsequently, the Commissioners have preliminarily reviewed the budget. In the case of special appropriations requested by outside government agencies and nonprofit organizations, including the Nash Rocky Mount Board of Education and the Nash Community College Board of Trustees, the recommended appropriations reflect the results of budget work sessions involving the Board of Commissioners and staff.

As noted above, the General Fund Budget, which is the largest fund, the only fund supported by county tax dollars and includes the tax supported governmental activities, is proposed to be \$90,307,834, which represents a .93% or (\$851,135) decrease from this year's original budget. This represents the second consecutive year the General Fund has decreased. The budget provides sufficient funds to continue current service levels and requires no increase in any general fund taxes or fees. Moreover, the budget will maintain the county's healthy financial condition. As noted in the June 30, 2016 audited financial statements, the unassigned fund balance as a percent of expenditures was 30.62%.

County revenues (excluding fund balance appropriations) are estimated to decrease from \$88,379,062, to \$86,925,264 a decrease of \$1,453,798, due primarily to reduced pass through funding for Child Care Development in the Department of Social Services because of the scheduled takeover by the State effective September 1, 2017. Revenue categories are described in more depth in the General Fund Revenue Overview and in the Budget Summaries that follow.

Highlights of the proposed FY2017-2018 budget include:

- Total Ad Valorem tax revenues reflect a .4% or \$228,943 increase over the prior year budget despite a 1.2% reduction in values resulting from the recent revaluation. The increase is due primarily to new construction and increases in personal property and motor vehicle collections.
- An estimated \$500,000 of additional revenue is estimated for sales tax over the current year. This increase is based primarily on current fiscal year collections resulting from GS 105-524 (new Article 44) that became effective July 1, 2016 related to the distribution of additional sales tax revenue for economic development, public education and community colleges.
- A Cost of Living Adjustment (COLA) based on a flat rate, tiered amount, resulting in a salary cost to the County of approximately \$685,000 of which approximately \$90,000 will be reimbursed through Federal and State funding. The COLA will be effective July 1 for all full-time county employees.

The tiered amounts are scheduled as follows:

< \$30,000	=	\$1,200
\$30,001 to \$40,000	=	\$1,100
\$40,001 to \$50,000	=	\$1,000
>\$50,001	=	\$900

The tiered structure allows for percent increases to range from a 5% increase for an employee earning \$24,000 per year, a 4% increase for an employee earning \$30,000 per year, a 3% increase for an employee earning \$36,667 per year, a 2% increase for an employee earning \$50,000 per year, and a 1% increase for an employee earning \$90,000 per year. Employees earning more than \$90,000 per year will realize less than 1% increase.

- Department of Social Services and Health Department revenues are estimated to decrease approximately (\$2,111,000) and (\$124,000), respectively due to changes in State day care and transportation pass-through amounts and decreased grant funding.
- The state required retirement rate for local governments increased by .25% for both General employees and Law Enforcement Officers, resulting in an increase of approximately \$101,060.
- While it is impossible to quantify the cost for health insurance for next year had Nash County remained self-insured, we estimate the savings to the County by joining the State Health Plan is in excess of \$1 million.
- In Economic Development there is an increase of approximately \$294,000 over FY2016-2017 budget based on current incentive agreements with Hospira/Pfizer and Carolina Innovative Food Ingredients, Inc. (CIFI), and to provide Nash County with a Retail Development Recruiter to promote retail businesses to the unincorporated areas and small towns of Nash County.
- There is an increase in Veteran Services operations of approximately \$30,000 due to Commissioners decision to replace the part-time administrative assistant with a full-time employee, thereby providing for two full-time employees in the Veterans office to provide assistance to the over 8,000 Veterans residing in Nash County.
- An increase of \$95,185 for Nash Community College current expense and an additional \$25,000 for capital outlay is included to assist with the cost of a security system.
- Increase of approximately \$786,000 in debt service: due primarily to \$1,186,000 increase for Courthouse Expansion debt, offset by decrease in debt service for 2010 LOB and 2004 COP refinancing of approximately (\$191,000) and a decrease in lease debt service of approximately (\$197,000) due to the payoff of the security system, 2014 ambulance purchase and the 2013 Data Center network upgrade.
- Increase of approximately \$305,000 to EMS for (6) additional EMT positions for staffing of the Middlesex Station.
- Increase capital expenditures of \$270,000 for ambulances/remounts, \$200,000 for replacement of mobile data terminals and \$390,000 for MIS server and back-up upgrades.

General Fund Revenue Overview

1. Property Tax Collections – According to the FY2015-2016 Nash County audit, the overall tax collection rate in Nash County was 98.45%. The collection rate for real and personal property was 98.25%, and the collection rate for motor vehicles was 100%. For purposes of estimating next year's property tax revenues, this proposed budget assumes a conservative collection rate of 97.5% for real and personal property and for motor vehicles, the same as the FY2016-2017 budget.

The Tax Office is committed to maintaining Nash County's high tax collection rate during future years, and will continue to concentrate on the collection of prior years' delinquent taxes.

2. Estimated Tax Base and Rate - The estimated tax base is used in this budget to determine the amount of property tax revenue that will be available in the FY2017-2018 budget. The estimated tax base amount is provided to the County Manager by the County's Tax Administrator. The amount of revenue that is expected to be collected in the coming year is determined by the tax base amount and the collection rate.

The Nash County 2017 tax year valuation estimate provided by the Tax Administrator provides for a total valuation for FY2017-2018 of \$7,229,000,000. At 100% collection, each penny of the tax rate assessed will produce \$722,900.

The total taxable valuation for real and personal property and public utilities less exclusions within Nash County is estimated at \$6,379,000,000. At 100% collection, each penny of the property tax rate assessed will produce \$637,900. When multiplied by a collection rate of 97.5% each penny of the tax rate should generate \$621,953. With the proposed tax rate of \$0.67 per \$100.00 valuation, the 2017-2018 current year anticipated revenues for real property and personal property and public utilities are estimated at \$41,670,818.

The total valuation for motor vehicles within Nash County is estimated at \$850,000,000. At 100% collection, each penny of the tax rate assessed will produce \$85,000. When multiplied by a collection rate of 97.5%, each penny of the tax rate assessed should generate \$82,875. With the proposed tax rate of \$.67 per \$100 valuation, the anticipated revenues for motor vehicles are estimated at \$5,552,625.

The FY2017-2018 budget anticipates the collection of \$47,223,443 in ad valorem tax revenues from real and personal property, public utilities, and motor vehicles. This amount represents 54.3% of General Fund revenue (excluding fund balance appropriations).

The FY2017-2018 budget also anticipates the collection of \$550,000 in prior years' delinquent real and personal property and motor vehicles taxes, as well as \$165,000 in penalties, interest and other miscellaneous charges assessed upon delinquent taxes.

The total amount of the above taxes anticipated in this budget is \$47,938,443. This amount represents 55.1% of General Fund Revenues.

3. Sales Tax - The total amount of sales tax revenue anticipated in the General Fund budget is \$13,928,338 with \$3,056,145 from Article 40 and Article 42 restricted by statute to be used for school capital projects and school capital expenditures. In addition, \$500,000 from the Article 44 tax is restricted for economic development, public education and community colleges. The total sales tax estimated for FY2017-2018 represents 16% of General Fund Revenues. Article 39, 40 and 42 sales tax revenues are estimated based upon the FY2015-2016 actual collections. The Article 44 sales tax is an estimate since the distribution is to be recalculated effective July 1, 2017.

As noted above, \$3,556,145 is restricted and will be used towards school capital outlay, school debt, economic development and community college purposes where applicable. The unrestricted sales tax accruing to the County is \$10,372,193.

4. Human Services - Department of Social Services - The FY2017-2018 budget anticipates \$8,656,213 from state revenues for administration and program costs.

5. Human Services - Health Department – Revenues in support of Public Health operations including fees in sales and services for FY2017-2018 are estimated at \$5,966,815.

6. Sales and Services – The FY2017-2018 budget anticipates \$4,633,200 (excluding health department operations of \$249,063). Anticipated EMS collections of \$3,675,000 and EMS Medicaid settlement collections of \$500,000 make up the majority of these revenues.

7. Other Revenue – The FY2017-2018 budget includes Other Restricted revenues of \$2,046,755, Lottery funds - \$936,000, Permits and Fees - \$1,037,400, Investment Earnings - \$225,000, Other taxes of \$612,000 and Other Revenues and transfers - \$920,103 which totals \$5,777,258.

8. Fund Balance Appropriated – The FY2017-2018 budget appropriates a total of \$3,382,570 in fund balance, compared to prior year fund balance appropriation of \$2,779,907, an increase of \$602,663 or 21.6%. The FY2017-2018 fund balance includes the following amounts: Balancing factor - \$1,800,000, \$176,356 – Health Reserves, and \$1,406,214 – County capital.

General Fund Expenditures Overview

Individual departments within each of the functions below are described in more detail in the summary pages within the budget document including information about staffing levels.

1. General Government – The FY2017-2018 budget includes funds for General Government Operations at a total of \$9,244,830. This function provides for all administrative county operational costs.

2. Public Safety – The FY2017-2018 budget includes \$21,986,838 for Public Safety operations which covers Law Enforcement, Emergency Services and Animal Control.

3. Transportation – The FY2017-2018 budget includes \$211,559 for transportation operations. This function provides appropriations for Rural Transportation Planning Operations and the Rocky-Mount Wilson Airport along with additional capital funding of \$23,702 for the Airport in FY2017-2018.

4. Economic and Physical Development – For Economic and Physical Development, \$2,534,643 is included in the FY2017-2018 budget. This function provides for: Planning and Inspections; Cooperative Extension and Soil and Water services; Economic Development which includes funding for a new Retail Development Recruiter position within the County; Carolinas Gateway Partnership in the amount of \$317,717; County inducements currently with Hospira/Pfizer estimated in the amount of \$560,000 and CIFI in the amount \$60,000; \$52,500 for One NC pass-through funding for Nutkao, Inc. as well as \$14,000 included for funding the Highway 17/64 Committee initiative.

5. Human Service - Health Department - Included in the FY2017-2018 budget is \$9,246,569 for Public Health operations. County funding and Health Department reserves are \$3,103,398 and \$176,356, respectively. The FY2017-2018 County funding includes a decrease of \$13,708 over FY2016-2017 original budget.

6. Human Services - Department of Social Services – The FY2017-2018 budget for Social Services totals \$13,667,446. County funding for DSS for the FY2017-2018 is \$5,011,201, a decrease over FY2016-2017 original budget of \$54,795. The State has advised local government DSS offices to anticipate a phase out of pass-through funding for Child Care Services effective September 1, 2017, however, due to programmatic delays this may be extended. The recommended budget reflects two months of payments for Child Care services. This change may be significant in overall expenditures but it will not have an impact on local funding due to its pass-through nature. Also, the recommended budget includes a reduction in Medicaid Transportation of \$410,000 due to a change in the reimbursement process directly to Tar River Transit instead of pass-through the County.

7. Other Human Services – This function includes Mental Health, grant-funded programs through Office of Juvenile Justice and Home Care Community Block Grant of \$1,281,867, Aging Department \$263,836, Veterans' Services \$101,976 and specific Local Human Services of \$192,550. The FY2017-2018 recommended budget total for these services \$1,840,229.

8. Cultural & Recreation – This function includes funding for local Libraries and Parks and Recreation of \$1,580,461 in the FY2017-2018 recommended budget. Additional funding of \$500 per local library is budgeted for a total of \$14,000 per year. Additional funding of \$7,999 for Braswell library is included based on the current library funding formula (the increase will be dependent upon other jurisdictions increasing funding based on the formula).

9. Education – The FY 2017-2018 budget includes \$24,087,336 for Nash Rocky Mount Schools (NRMS) and Nash Community College (NCC). This reflects an increase of \$120,185 to the Community College.

The June 2014 three-year funding agreement between Nash County Board of Commissioners and Nash-Rocky Mount Board of Education was completed in FY2016-2017 increasing classroom teacher supplements from a minimum of 6% in FY2013-2014 to a minimum of 10% in FY2016-2017 and future years. During the three-year funding agreement, the Commissioners appropriated an additional \$1,200,000 for capital outlay from lottery funds for school security upgrades.

Based on the Senate Bill 382, which became effective July 1, 2016, Nash County will provide an amount per pupil for local current expense equal to or greater than the per pupil amount for local current expense appropriated for the FY2016-2017. Although the student population is decreasing, Nash County is recommending the same current expense appropriation for NRMS as approved in the FY2016-2017 budget. According to projections provided by the Nash Rocky Mount School System, student population is projected to decrease by approximately 250 students in school year 2017-2018, resulting in an increase in county per student current expense funding from \$1,507 in FY2016-2017 to \$1,536 per student in FY2017-2018. Despite the budgetary constraints caused by the great recession during the past 10 years, per student funding for NRMS has increased from \$1,099 in FY2006-2007 to an estimated \$1,536 in the FY2017-2018 school year.

For schools, Current Expense is funded one-twelfth each month and capital outlay is funded on documentation of capital expenditures.

Total Debt Service for NRMS for FY2017-2018 is \$2,852,101. Lottery funds of \$936,000 are budgeted for debt service for Rocky Mount High School and restricted sales tax from article 40 and 42 totaling \$1,916,101 cover the debt service for NRMS. The remaining estimated restricted sales tax of \$1,140,044 is used for funding a portion of the capital outlay budgeted for FY2017-2018 for NRMS.

The recommended budget for Nash Community College (NCC) is funded at \$2,095,185 for Current Expense; this is an increase over FY2016-2017 appropriation of \$95,185 which includes additional funding for maintenance operations not funded by the State. Capital outlay recommended funding is \$275,000, an increase of \$25,000 over the FY2016-2017 appropriation to assist the Community College with the purchase of an updated security system for the child care classrooms.

Debt service for NCC included in the recommended budget is \$835,893 for FY2017-2018, which includes \$725,635 for the Continuing Education and Public Facilities Building and \$110,258 for the Science and Technology Center.

10. Debt Service – This function includes annual debt service and lease purchase payments. Included in the FY2017-2018 budget is \$5,817,923, an increase of \$786,067 over FY2016-2017. This includes debt service for NRMS and NCC totaling \$3,687,994 as noted above and debt service of \$1,185,808 for the new construction and renovations of the Nash County Courthouse.

11. Contingency and Transfers – The FY2017-2018 budget includes Contingency of \$25,000 and Transfer to Revaluation Reserve of \$65,000.

12. Capital Spending– County capital spending is budgeted within departments and is not separated into an individual Capital Budget. Capital spending recommended for FY2017-2018 is \$1,406,214.

Other Funds Overview

In addition to the General Fund, the county administers several funds supported by fees or other restricted revenue sources. The Enterprise Funds and the Fire Districts Fund are briefly mentioned here. Other funds are shown in the Budget Summary.

The County's Utilities – Water/Sewer Fund and Solid Waste Fund operate as enterprise funds with no property tax contribution. Each fund is supported by user fees. The solid waste program is composed of two elements, the C&D landfill and our convenience sites. No rate increases are recommended for Public Utilities – Water/Sewer or Solid Waste fees for FY2017-2018.

The county levies a tax in eighteen (18) fire districts throughout the county and administers the collection and disbursement of those taxes within the Fire Districts Fund. One fire district is requesting a rate increase for FY2017-2018. Castalia Fire District is requesting a half cent increase from \$.0735 to \$.0785. Further explanation of the increase is provided in the Fire Districts Fund Summary.

A copy of the budget has been filed with the Clerk to the Board and is available for public inspection in the Manager's Office as well as on the county website. A Notice of Public Hearing will be published in the Rocky Mount Telegram, The Nashville Graphic and the Spring Hope Enterprise. The same published statement will also give notice of the time and place of the public hearing during which any person who may wish to comment on the budget may appear before the Board of Commissioners.

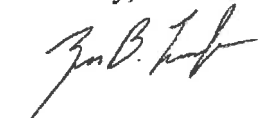

No earlier than ten days after May 15, 2017, the date of the formal budget presentation, and no later than July 1, 2017, the Nash County Board of Commissioners must hold a public hearing, and thereafter, adopt a budget ordinance making appropriations, estimating revenues and levying taxes for FY2017-2018.

This budget represents our best estimate of revenues and expenditures during the coming year. As with any budget, during the course of the coming fiscal year, budget adjustments may be necessary. Except for minor exceptions set forth in the Budget Ordinance, the Nash County Board of Commissioners must approve any such budget adjustments, which increase or decrease a department's total expenditures during the course of the fiscal year.

I urge the Commissioners to carefully consider and study this proposed budget. If there are any questions or concerns, please do not hesitate to contact me.

On behalf of your County staff, we look forward to working with the Commissioners during the coming year to provide the best services possible at the most reasonable cost to the taxpayers of Nash County.

Sincerely,

The increase in FY17-18 budget for salaries and benefits is due to the increased health insurance cost for Pre-65 retirees. Active employees moved to the State Health Insurance Plan, however, Pre-65 retirees had to be placed on individual ACA Market Place Plans. The decrease in supplies and operations is due to the decrease in General Liability Insurance based on the revised agreement effective in FY16-17.

While an overall reduction in funding is recommended this year to the mental health program direct appropriation, the County's considerable efforts, is expected to yield more benefits to Nash County citizens.

Nash County shared in the expense of a veterans officer employed by Edgecombe County prior to FY16-17 with office hours in Nash County 2 days per week and expenditures based on the pro-rata portion of assistance provided to veterans in Nash County. The FY16-17 Approved budget split off from Edgecombe County and included funding for one Veteran Services Officer and one part time administrative position to be housed in the Administration Building full-time. Based on the trends in FY16-17 and the activity and needs to serve the over 8,000 veterans residing in Nash County more effectively, the FY17-18 budget includes the reclassification of the part-time position to full-time to provide for two full-time Veteran Services employees.

SIGNIFICANT CHANGES:

The Water and Sewer Division includes operation of the water/sewer function for the County water/sewer system. The decrease in FY17-18 budget is primarily due to the final payment for the Hwy 58N Universal Leaf debt in FY16-17 and no capital outlay budgeted in FY17-18. The increase in salaries and benefits for FY2016-17 is due primarily to the implementation of the FY2015 Pay Study. The decrease in supplies and operations is due to decrease in estimated water purchase and sewer treatment based on analysis of use by CIEI.

SIGNIFICANT CHANGES:

The Solid Waste Disposal Division consists of solid waste disposal and convenience centers. Solid Waste Disposal includes operation of the construction and demolition landfill as well as oversight of the closed unlined landfill as required by state statute. Convenience Centers includes the operation of nine rural solid waste collection sites which handle rural household waste, yard waste, white goods and recyclable materials. Each site is manned with four part-time site attendants on rotating shifts Wednesday - Monday (closed Tuesdays as a cost saving measure). The Solid Waste fee is \$48/ton which includes the mandatory State tax of \$2/ton. The Convenience Center collection fee per rural household is to \$125. The Solid Waste Division budget reflects an increase in supplies and operations in the FY17-18 budget due to anticipated costs for site work to begin work on the C&D Landfill expansion, an estimated increase in electronic recycling costs based on historical trends. Capital outlay includes funding for used truck, 3 compactors and 2 receiver containers.

SIGNIFICANT CHANGES:

The Employees Insurance Fund houses the funding for the Employees Health and Dental Insurance. These costs are funded departmentally and through employee-paid dependent coverage. The FY17-18 budget for claims decreased based on the counties move from a self insured health plan to the NC State Health Plan (eliminating the need for stop-loss and the County Health Clinic expenditures). Pre-65 retirees moved to an individual market place plan with Blue Cross Blue Shield.
